

GENOA-KINGSTON EDUCATION FOUNDATION

*To enhance educational opportunities for students
in the Genoa-Kingston School District*

Dear Supporter:

The mission statement of the Genoa-Kingston Education Foundation is "to enhance educational opportunities for students in the Genoa-Kingston school district." One of the ways we accomplish this is by supplying mini-grants to teachers that supplement their budgets and allow them to make innovative, educational purchases for their classrooms. With the help of donations, contributions, and assistance with our events, we hope to continue to reach our goals and thus benefit all students in our district.

The Education Foundation is excited to announce the sixth annual Mouse Races. Last year the Mouse Races were enthusiastically enjoyed by everyone who attended. We anticipate an even larger and equally lively group this year. The Foundation is seeking sponsors for this event. All sponsorships offer a great deal of visibility before, during, and after the event. We have listed below what we know we need; but if you have an original idea, please feel free to contact us via our website www.gkedfoundation.org or email us at member@gkedfoundation.org.
