## MICE AND COMMUNITY HELP KIDS!

It's time for the Foundation's 6th annual Mouse Races. Mouse sponsorships are being sold for \$100 each and can be purchased by individuals or groups. If you're not interested in sponsoring, tickets are available for \$5 at the door. In addition to the racing, there will be an auction, Mouse Card Roulette, a Chuck-A-Luck wheel, and some fun surprises. Please know that no mice are physically or emotionally harmed in order to bring this entertainment to you. A lot of work and care goes into insuring their comfort.

## IT'S ALL ABOUT THE KIDS

In 2015, the Genoa-Kingston Education Foundation was able to award \$10,626.24 in mini-grants to G-K teachers. The goal of these grants is to put innovative ideas into practice that would not be possible through the normal operating budget.

This Buddy Bench, part of the new KES playground, was purchased with a GKEF mini-grant.
